President's Letter

Franklin shines during every season: the leaves and cider mill in the fall, the sledding hill and decorations in the winter, the spring blossoms and busy baseball fields in the spring, but personally I think Franklin is at its brightest during the summer when the FCA is in full swing. Join us Wednesday evenings in July and August for the Music on the Green Concerts that we support, as well as the Movies on the Green we sponsor. Starting on May 19, Sundays are special as well. The Franklin fresh farmer's market, Market on the Green, returns to Franklin. Produce, flowers, breads, cakes, candies, art, music and more on the Village Green Sundays from 11 a.m. to 4 p.m.

Please plan on joining us at our Taste of Spring wine and dine on June 1. Strolling dinner, wine tasting, valet, and a beautiful home – come with your friends for a wonderful evening. Our thanks and appreciation to our generous hosts Lori and Van Conway. All villagers are invited.

On Labor Day, September 2 we celebrate our 69th Round Up family fair and summer's end celebration.

AND, if you haven't already done so, please support the FCA with your membership dues.

We are always open to new ideas – many have been included in this newsletter. Please share your thoughts about how to make Franklin even better. Just email me at J5Polan@aol.com.

Franklin: All About Community

The Village is aware that there may be some older residents who need extra help to remain living in their homes. If you know residents or neighbors that could use occasional assistance, can you spare some time and help them? Think of offering to help with simple chores like taking out the garbage, changing a ceiling light bulb and other minor home maintenance. If you are a senior who could use a bit of help, or a volunteer willing to help, please let us know.

Joan Israel at 248.851.2478 or Jane Polan at 248.626.2231

The Franklin Cemetery Association invites you and your family and friends to join them in this annual salute to veterans on **Monday, May 27 at 11 a.m.** Special tribute will be paid to World War II veterans in an old-fashioned, patriotic service filled with music and inspiration for young and old.

Franklin Boy Scout Troop #1699, the Franklin Memorial Day Band, and other volunteers join to make this a special service. Bring a lawn chair or a blanket and your best singing voice!

If you have a loved one currently serving in the military you would like to have remembered during the ceremony, please e-mail their name and service information to Cemetery Director Judy Meade, Franklincemetery@comcast.net.

After the war, a soldier could apply for a disability pension. He had to show support that his disability occurred during the service. Fellow comrades, physicians, neighbors and friends would testify on his behalf.

On Sunday, May 19 at 1 p.m., you can hear their stories. We'll meet at the gate on Scenic Drive. The cost is \$10.

All are welcome to the discussion.

Franklin Police & Mobile Watch

SPRING 2013

Village Crosswalks

Many Franklin residents and visitors have noticed the new signs in our three downtown crosswalks which instruct motorists to stop for pedestrians in the crosswalk. With regard to crosswalks, here's some general information you may find useful:

According to the Michigan State Police, when a pedestrian is struck by a vehicle, more than 80 percent of the time the pedestrian is killed or seriously injured. In Michigan, more than 100 pedestrians die each year. Most of these deaths occur between 6 p.m. and midnight, with many fatalities occurring when pedestrians cross the roadway somewhere other than at an intersection. That's why it's important to wear reflective clothing and carry a flashlight when walking at night or in the early morning.

The Michigan Motor Vehicle Code Section (MMVC) 257.612 (ii) states: *...Vehicular traffic shall yield the right of way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection. Additionally, bicyclists have the same rights and rules as motorists and must also yield to pedestrians lawfully in the roadway. Pedestrians have the right-of-way when actively crossing in an un-signalized crosswalk (like the three in Franklin).*

There is no requirement that vehicle traffic must stop for a crosswalk, unless there are pedestrians in the crosswalk. Because motorists may not always see pedestrians entering crosswalks, it is strongly recommended that if using the crosswalk, eye contact with the drivers be made before crossing in front of them. **As a pedestrian, you should never assume that the vehicle driver can see you.** Finally, if you are walking along the roadway, it is best to walk facing traffic so as to be able to see oncoming traffic clearly. Thank you!

— Chief Dan Roberts

Franklin Mobile Watch Report

As always, please be on the lookout for any types of scams!

- A resident received a call from someone claiming to be her son. Said he was arrested for drunk driving in another state and his attorney would call for bail money to be sent via moneygram. Someone did call claiming to be his attorney and requested \$2,700 for bail and \$2,500 to repair a telephone pole damaged. None of this was true.
- An owner arrived home at 6:00 pm, found the front door kicked in. The master bedroom ransacked, jewelry and cash missing. The scene was processed – no witnesses.
- An engagement ring said to be worth a significant sum was to be returned to the groom-to-be. It was reportedly placed in a box under a rock on the porch. When retrieved, the box was not found.
- A home invasion of an unoccupied house occurred. A back basement window broken – alarm went off, electronics, TV, etc. taken. The Police believe suspects knocked on doors of surrounding homes to determine easy target. A vehicle with 2 occupants was seen in the area. The suspect was reported to be well-dressed man – wearing a suit-coat, tie and a sweater vest.

Though burglary numbers are down this year compared to last year, Franklin Police Chief, Dan Roberts, encourages all to pay particular attention to vacant homes or homes for sale in our neighborhoods.

Lastly, it's that time of year again when spring clean-ups occur. Although we trust those reputable companies that provide these services for us all, there are unfortunately a few, probably not actually providing service to homes in our village, who try to take advantage of wooded lots, open lots and even vacant properties for sale and illegally dump yard waste. Should you see anything of this nature, call the Franklin Police and they will check it out. Trust me... your neighbor's lawn service isn't dumping the yard waste back onto their property! They are dumping. Call the Police.

Make a Difference... Join the Mobile Watch

Last Thursday of each month at 7:30 p.m. at the Village Office.
